PRESIDENT'S MESSAGE

Dear AGA – Central Ohio Chapter Members:

Welcome to the 2024-2025 Program year for the Central Ohio Chapter of AGA! I am honored to be serving as your chapter president this year. I want to thank our education committee for all their hard work in putting together another exciting schedule of educational sessions for this program year to offer our members. I hope that all members take advantage of these great opportunities for development.

I would like to personally welcome our new members. We have had 10 new members join our chapter since July and currently have 323 members. Our chapter's goals are to continue to provide relevant and quality education, foster professional development and certification, and support standards and research to advance government accountability to our members from both the public and private sectors. Our chapter also supports the AGA Certified Government Financial Manager (CGFM) certification, which is nationally recognized as one of the most respected certifications for those who work in Federal, State, or Local government.

On Monday October 21st and Tuesday October 22nd we will be hosting our 40th annual two-day Professional Development Training (PDT). We are excited to gather in-person again to provide 16 hours of CPE from nationally known speakers on current topics designed to educate and inform on both technical and social skills. There will be several breakout sessions that attendees can select from that interests them or is best suited to their profession. We'll also be hosting a happy hour after day one of the PDT for attendees at [Liberty Tavern](#) 2170 Polaris Pkwy, Columbus. The happy hour will include appetizers and drinks, we look forward to seeing you all there.

We look forward to making this program year a success just like we have in years past. The AGA Central Ohio Chapter received the platinum award for this past program year once again from AGA National and I would like to thank the great group of volunteers who are on the Executive and Education Committees. If you are interested in volunteering and would like to provide value to your fellow COAGA members and gain leadership experience while building professional relationships, please reach out and inquire about becoming a chair on the Executive or Education Committees! Please feel free to contact us at executive.coaga@gmail.com with any questions or suggestions for future training topics.

Visit our website, LinkedIn or Facebook page to keep up to date with your Central Ohio AGA Chapter.
