## PRESIDENT'S MESSAGE

Dear Central Ohio AGA Chapter Members:

Welcome to the 2025-2026 program year for the Central Ohio Chapter of AGA! I am honored to be serving as your chapter president this year. I want to thank our education committee for all their hard work in putting together another exciting schedule of educational sessions for this program year to offer our members. I hope that all members take advantage of these great opportunities for development.

I would like to personally welcome our new members. Since July, 7 new members have joined our chapter, bringing our current membership to 338. Our chapter's goals are to continue to provide relevant and quality education, foster professional development and certification, and support standards and research to advance government accountability to our members from both the public and private sectors. Our chapter also supports the AGA Certified Government Financial Manager (CGFM) certification, which is nationally recognized as one of the most respected certifications for those who work in Federal, State, or Local government.

On Tuesday October 21st and Wednesday October 22nd we will be hosting our 41st annual two-day Professional Development Training (PDT). We are excited to gather in-person again to provide 16 CPE hours from nationally recognized speakers who will cover current topics designed to educate and inform on both technical and social skills. Attendees will have the opportunity to choose from several breakout sessions that align with their interests or are best suited to their profession. After day one of the PDT, you are invited to join us for a casual networking event at Giordano's, located at 2137 Polaris Pkwy, Columbus. It's the perfect opportunity to unwind, connect with peers, and continue the conversation in a more relaxed atmosphere. Happy hour will include appetizers and drinks. We look forward to seeing you there.

We are focused on another successful program year, continuing the momentum from previous years. The Central Ohio AGA Chapter once again received the platinum award for this past program year from National AGA, and I would like to thank the great group of volunteers who are on the Executive and Education Committees. If you are interested in volunteering, providing value to your fellow COAGA members and gaining leadership experience while building professional relationships, please reach out to learn more about joining the Education Committee or becoming a chair on the Executive Committee! Please feel free to contact us at [executive.coaga@gmail.com](mailto:executive.coaga@gmail.com) with any questions or suggestions for future training topics.
